

To The Judiciary Committee,

I am requesting your support for HB 6491, AN ACT CONCERNING NONLETHAL ELECTRONIC DEFENSE WEAPONS- To remove the prohibition on possession of nonlethal electronic defense weapons. This Bill promotes the right to self defense found in the Second Amendment of our Constitution.

I oppose HB 6355, AN ACT CONCERNING RISK PROTECTION ORDERS OR WARRANTS. HB 6355 infringes on an individual's Second Amendment right to self defense. I am hoping the Committee will vote this unconstitutional bill down!
